

Aunt Sally's Advice to Beauty-Seekers

C. M. P.: The neck should receive similar attention to that given the complexion, as color and texture of skin will be the same. A yellow neck and a white face give a discordant effect. I advise using for both neck and complexion, the treatment recommended to "Moulin".

F. M.: First, stop scowling. If you would get rid of the lines between the eyes. The best application for such lines, and all wrinkles, is a solution of powdered axolite, 1 lb. dissolved in with water, to pint. Rub the face in this daily until entirely relieved.

Moulin: You hardly need such a list of cosmetics as you mention. Ordinary mercerized wax will help you more than any or all of them. It will gradually absorb the withered, discolored complexion and you will soon have a new, youthful and healthy-looking skin. You need not get more than an ounce of the wax, which will cost you little at any drugstore. Apply nightly, like cold cream, washing it off mornings.—Woman's Realm.—Advertisement.

MONOPLANES WIN OVER BIPLANES

RHEIMS, France, Sept. 29.—The most interesting and instructive event of the second day of the Rheims aviation meet was a cross country race for monoplanes and biplanes. The race was five times around a thirty kilometer course. The result was a complete triumph for the monoplanes, nearly all of which made better time than the leading biplane.

A novel feature of the race was that the machines were lined up in a row and started by flag. The biplanes were first sent away. Six of the seven machines rose without a moment's delay as the starters flag dropped, while the seventh was only a scant second behind them. All the air craft rose rapidly and soon had disappeared.

Half an hour later the monoplanes were sent away.

Three of the biplanes abandoned the race and most of the others were compelled to land once or twice. The winner was M. Rost, whose monoplane negotiated the 150 kilometers in 1 hour, 7 minutes and 18 seconds. The best time for a biplane was 1 hour, 35 minutes and 51 seconds, made by Rene Caudron.

10 CENT "CASCARETS" IS YOUR LAXATIVE

Best Liver and Bowel Cleanser and Stomach Regulator Known.

Get a 10-cent box. Put aside—just once—the Salts, Pills, Castor, Oil or Purgative Waters which merely force your bowels through the bowels, but do not thoroughly cleanse, freshen and purify these drainage organs, and have no effect whatever upon the liver and stomach.

Keep your "insides" pure and fresh with Cascarets, which thoroughly cleanse the stomach, remove the undigested, sour food and foul gases, take the excess bile from the liver and carry out of the system all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will make you feel great by morning. They work while you sleep—no griping, no cramps, and cost only 10 cents a box from your druggist. Millions of men and women take a Cascaret now and then and never have headache, biliousness, coated tongue, indigestion, sour stomach or constipated bowels. Cascarets belong in every household. Children just love to take them.

RETURNS TO WIFE AFTER TWENTY YEARS' ABSENCE

ANDERSON, Ind., Sept. 29.—After 20 years' absence during which time his wife had mourned him as dead and then remarried, Martin McCandless returned to Anderson and today was wed again to the wife of his youth.

One morning a score of years ago McCandless left his wife and two children and started off to his work as usual, the difference being that he did not return when night came. The wife waited. Then she received assurance that he had been killed in a railroad accident and after a period of mourning was married to Charles Nickley.

Three months ago McCandless returned as suddenly as he had left. The domestic life of the Bricksleys, it appears, had not been going smoothly, and Mrs. Bricksley, soon after McCandless' return, obtained a divorce and today McCandless and Mrs. Bricksley replighted the torch given many years ago. They will live here.

WANTED TO DIE ON HIS NATIVE SOIL

NEW YORK, Sept. 29.—Saying that he was an American citizen and wished to die on American soil, William Scott of Chicago, boarded the Caledonia at Glasgow, despite a warning from the ship's surgeon to stay ashore until he felt better.

The liner was brought to a stop about 1,000 miles east of Sandy Hook, while the passengers stood at the rail to see the body of the aged man drop into its grave in the sea.

Scott was born in Scotland and was returning from a visit to his birthplace near Glasgow when he died of heart disease Thursday. The Caledonia arrived here Sunday.

BEGINS SELF IMPOSED PRISON TERM TODAY

New York State Chairman of Reform Legislation Will Make Psychological Study of Confinement of Man.

AUBURN, N. Y., Sept. 29.—Thomas Mott Osborne, chairman of the New York state prison reform legislation will begin a self-imposed term in Auburn prison Monday. The consent of Supt. of State Prisons Riley and Warden Rattigan has been obtained. The primary purpose is to determine the psychological effect of prison confinement upon a man. Mr. Osborne outlined his purpose Sunday to the convicts and while he confessed there are many short comings in such an experiment justified his purpose by this statement:

"I have the feeling that after I have really lived among you, marched in your lines, shared your food, gone to the same stone cells at night and in the morning looked at God's sunlight, through those same iron bars—that then and not until then, can I feel the knowledge which will break down the barriers between my soul and the souls of my brothers."

KILLED IN REVOLVER DUEL

WINCHESTER, Ky., Sept. 29.—Ellis Brandenburg was killed and his wife and Ben White were fatally wounded Sunday in a revolver duel in the public road here, which resulted from a quarrel started by efforts of White and his cousin, Charles Hollin, to drive past the buggy in which Mr. and Mrs. Brandenburg were riding. Hollin was arrested.

Health and Beauty Answers

BY MRS. MAE MARTYN.

T. M.: Though your flesh worries you, don't take chances with violent exercise and exaggerated dieting. You had better use this simple but effective flesh reducer, which makes at home, and about which hundreds have written to praise its rapid and effective action. Buy four ounces of puriciss from any druggist, dissolve in 1½ pints boiling water. Allow to cool, strain and take a tablespoonful meal. Continue the course until you reach normal weight.

Annie L.: Powdered deionite is the most effective thing of which I know for removing stubborn hairy growths. Get an original package and mix enough powder with water to cover the hairs not wanted. Apply and in 2 or 3 minutes remove, wash the skin and the hairs are gone. This is a quick, harmless method and seldom needs repeating. Be sure it is deionite you get.

J. A. H.: No, I would hardly criticize you for your lack of ambition. It is due to impure blood and its sluggish action, the natural result of the summer's heat. Your appetite and energy can be regained by taking, before each meal, a tablespoonful of a mixture composed of one ounce of kelp, dissolved in a half pint of alcohol, to which is added half a cup of sugar and hot water to make a full quart. It will cleanse the blood, assist new tissue to develop and will affect your complexion by lending the glow of health to your cheeks. This will make you feel like a new person and look as you feel.

Della: I use a lotion instead of face powder. This home made spumax lotion will tone and clear the skin, overcome coarseness and wrinkles and act as a protection against sun and wind. It is cheap and in every way equal to the expensive liquid face powders. Get 4 ounces of spumax from your druggist and dissolve in a half pint of hot water. To this add 2 teaspoonfuls of glycerine and your lotion is complete. Apply freely after washing and thoroughly drying the face, neck and arms. The result will please you, for the lotion dries quickly, seems a part of the skin and gives a velvety texture to the face.

Miss K.: Your hair tonic is worthless. Experience prompts me to recommend quinquina hair tonic to you, because it has

THIRD MAN OUT FOR PRESIDENT OF MEXICO

Liberal Republican Party Names Col. David De La Fuente Ex-Cabinet Member Under Huerta.

MEXICO CITY, Sept. 29.—Col. David De La Fuente, former minister of communications and public works in Gen. Huerta's cabinet, has been put forward as presidential candidate by the so-called liberal republican party. This makes the third nomination for presidential honors.

The liberal republican candidacy was first offered to Gen. Aurelio Blanquet, minister of war, but was declined by him with the assertion that he was not ambitious to enter the race and would not accept the candidacy of any party. Dr. Gregorio Mendizabal, a former senator, was named for the vice presidency with Col. De La Fuente. Both have accepted.

Lively interest is centered in the latest development of the internal situation, the announcement of the recall to Mexico of the ex-president, Porfirio Diaz. Coupled with Gen. Huerta's announcement to the diplomats abroad, that the revolution has been finally suppressed, it has given rise to all sorts of speculation, one of them that the ex-president was asked to return, so that he might resume his place on the war council boards, so that he would be available in an advisory capacity in case of a general breaking out of hostilities.
